## 2009 Club Sponsorship Opportunities

The Peachland Riding Club has been supporting and promoting family and youth oriented equine events for 40 years. It has long been a place for young cowboys, cowgirls, equestrians and trail riders to get a start in horse related activities. Many past members have gone on to higher levels of competition and become Champions in several different disciplines.

The Peachland Riding Club, a non-profit organization, who hosts many different kinds of equine activities. In the past few years the club has upgraded the arena facility to accommodate Little Britches and High School Rodeos. This just adds to the potential the club has to cater to different events. Throughout the year, the riding club will hold a series of six gymkana events with year-end highpoint champions, as well as western shows, barrel races and clinics to help the members and non-members progress in their riding achievements.

The Peachland Riding Club is a family oriented group, but really caters to the younger competitors. The youth benefit in several ways including the responsibility they learn through caring for their animals, as well as the respect, camaraderie and sportsmanship they gain as competitors.

All this is made possible through your generous support as a sponsor.
